

Liam Loves Lifts!

This story was created by LEIA to tell children to be safe in lifts, blar blar blar. Ben has improved the story!

Liam is three years old and he loves lifts.

"Put your shoes on Liam," Mummy said,
"we are going to the shops."

"Will there be a lift?" said Liam.

"I WANT TO TAKE A SHIT IN IT"

"Put your coat on Liam," Mummy said,
"we are going to meet my next client"

"STOP FUCKING AROUND AND HURRY UP BEFORE I
SMACK YOUR HEAD IN", Yelled mummy.

Liam enjoyed riding the lift
for 2 whole hours while his
mum met some clients

When Liam got home, he looked up lifts on youtube and found Beno's lift surfing videos.

"That looks fun" said Liam

But then mummy
snatched Liam's
laptop off him
so she could
find her
next client

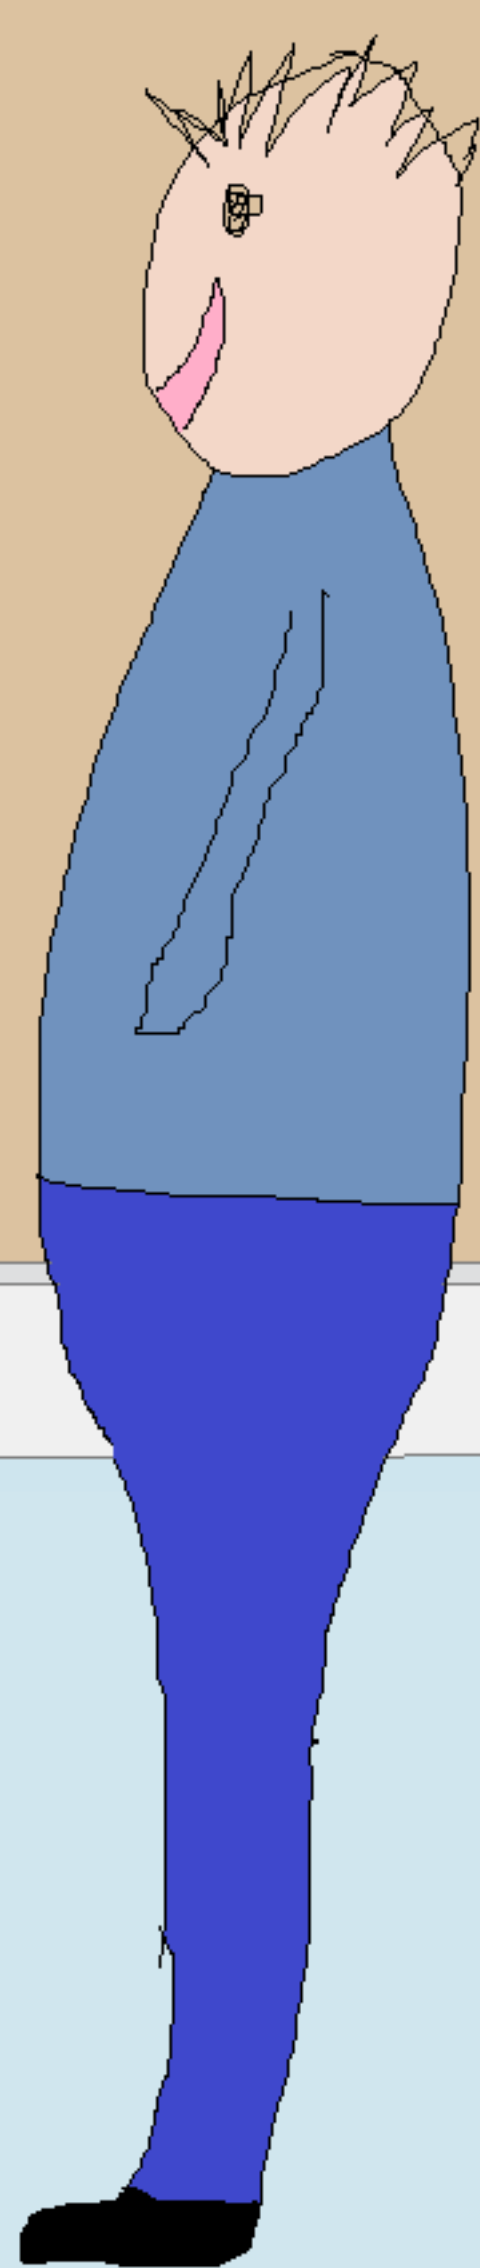

But then Liam read a stupid story by **LEIA**

LEIA

The story is a load of shit about how to ride lifts safely. "Fuck this shit" said Liam.

And it was
at this point
Liam's mum's
next client
arrived

In case you
haven't worked
it out, Liam's
mum is a
prostitute!

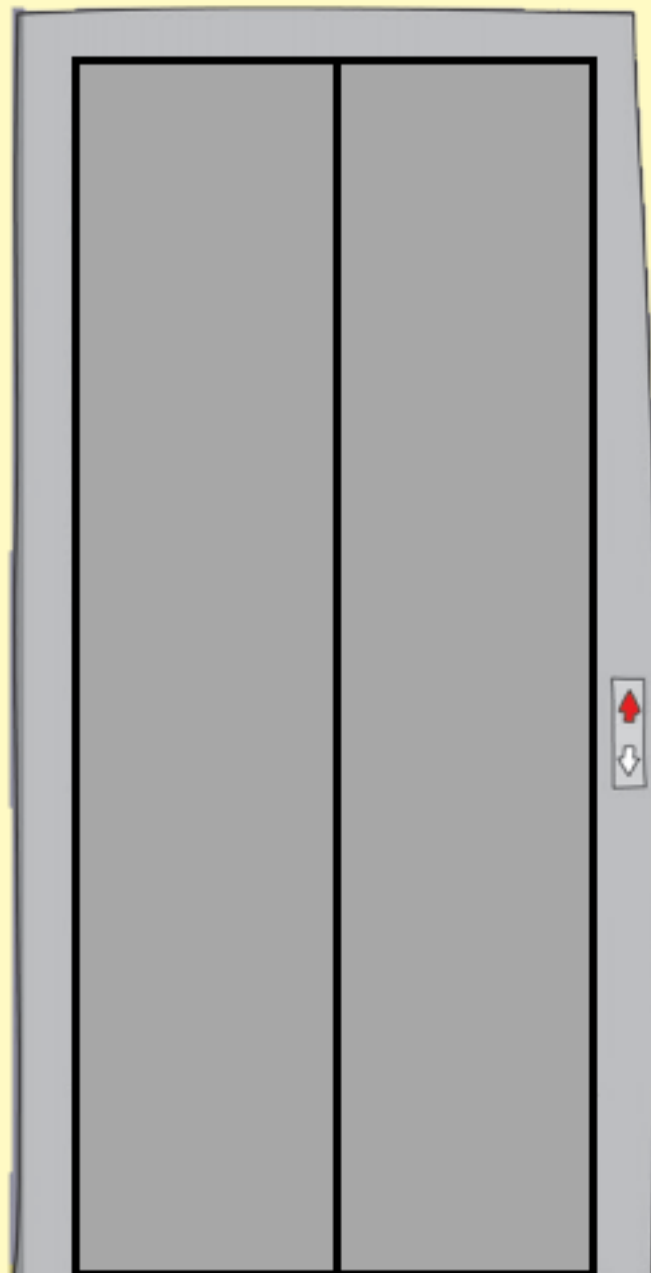

As Liam's mum was busy yet
again, Liam decided to go out on his own
to surf some lifts!

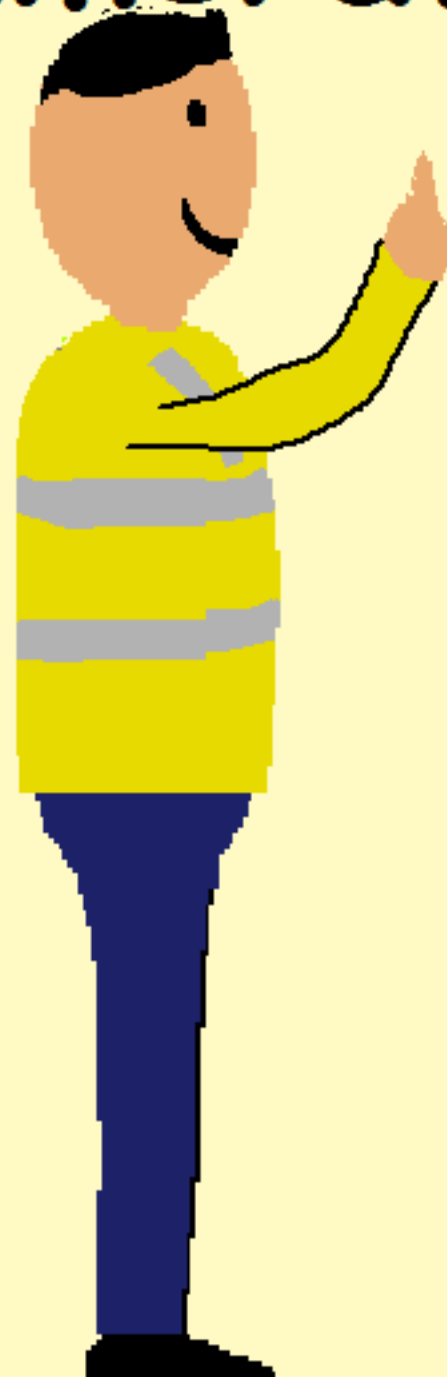

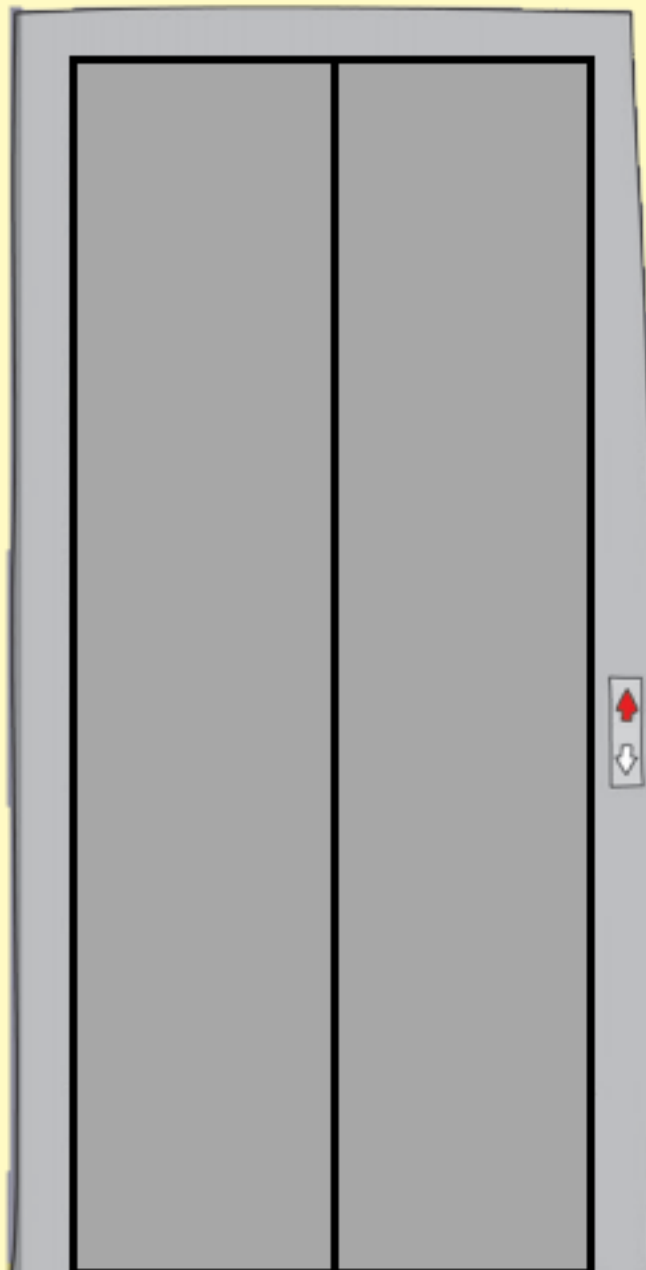

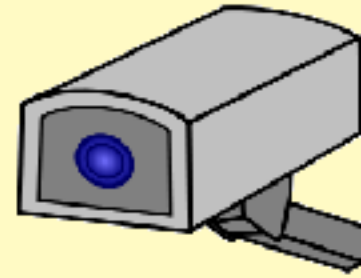

Liam met up with Aaron,
Jordan, Zach and Ben

IT'S
LIFT
SURFING
TIME!

So Jordan waves
at the camera...

And then
everyone
jumped
on top
the lift

But then Liam remembered the lift safety book

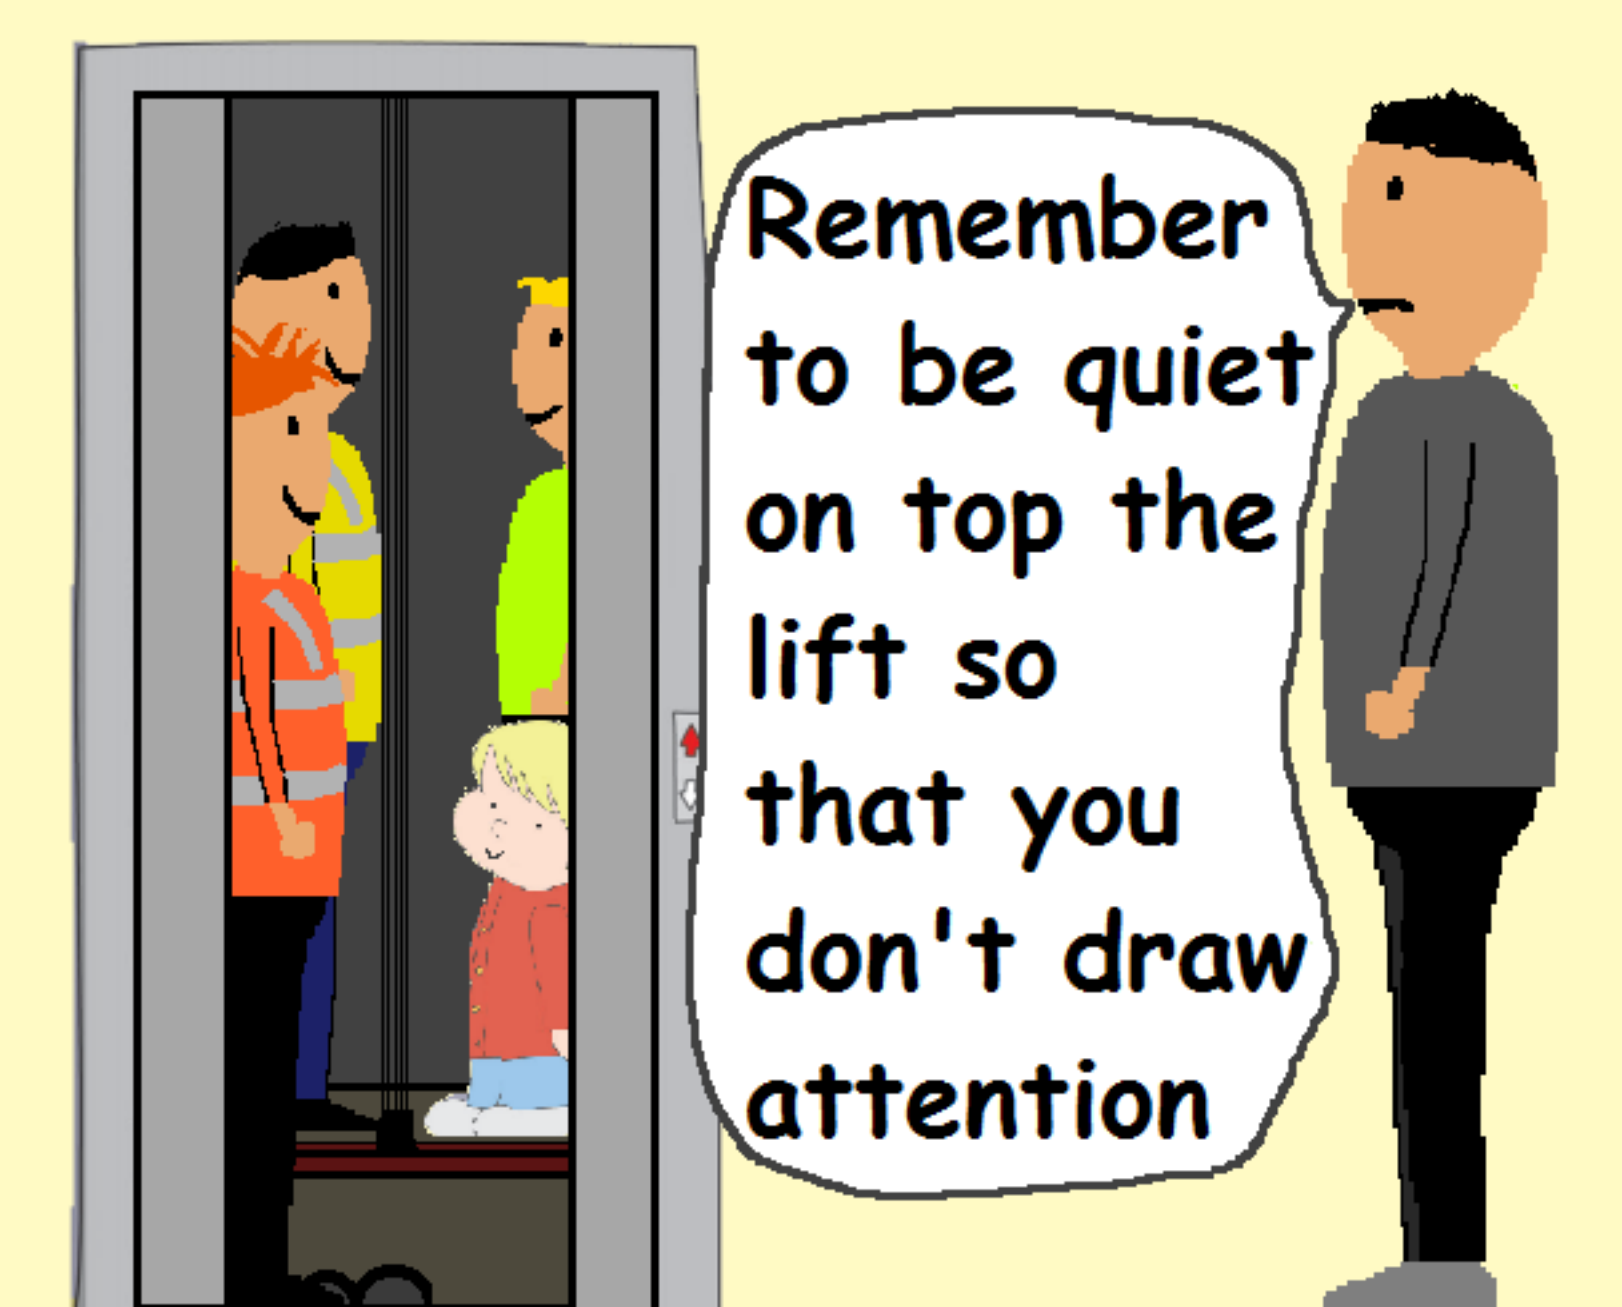

I'm not
letting that
fucking shit
propaganda
stop me lift
surfing!!!

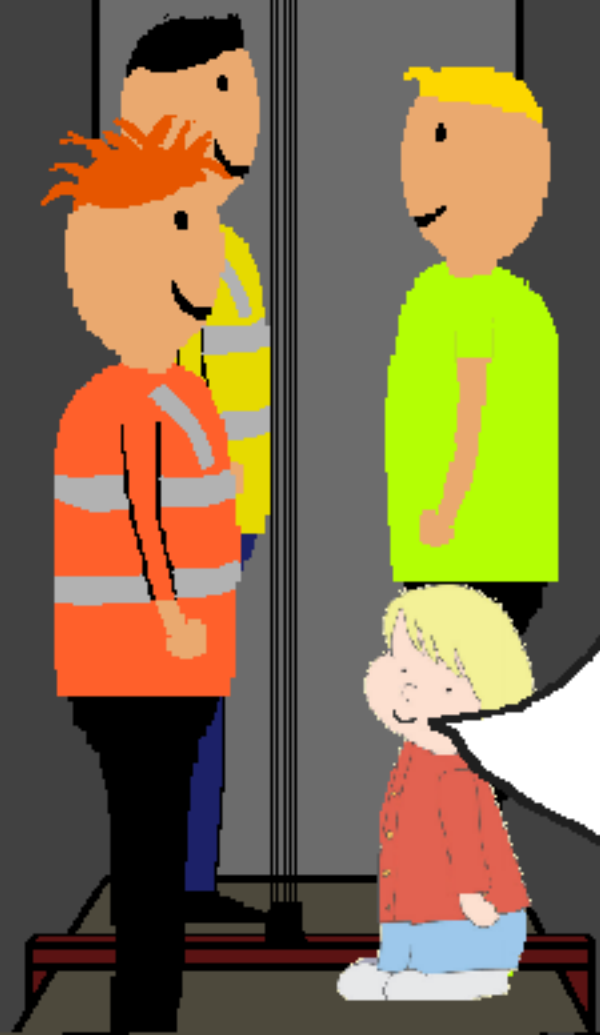

LETS
GO
SURF
SOME
LIFTS

Remember
to be quiet
on top the
lift so
that you
don't draw
attention

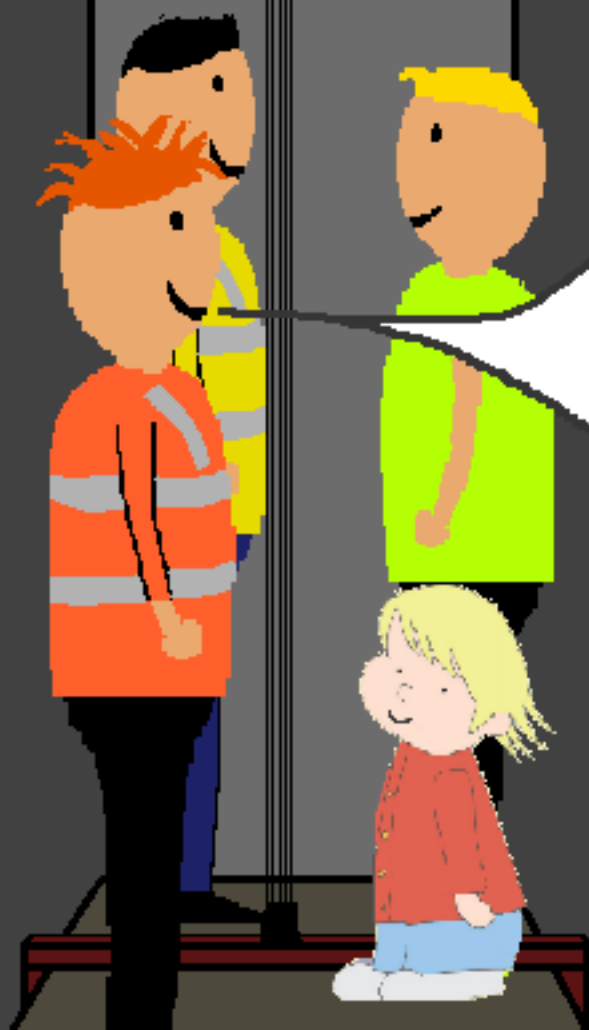

Everyone enjoyed surfing the lift

THIS
IS
FUN!

And everyone surfed the counter weight, including Liam!

LETS
GO
FULL
SPEED

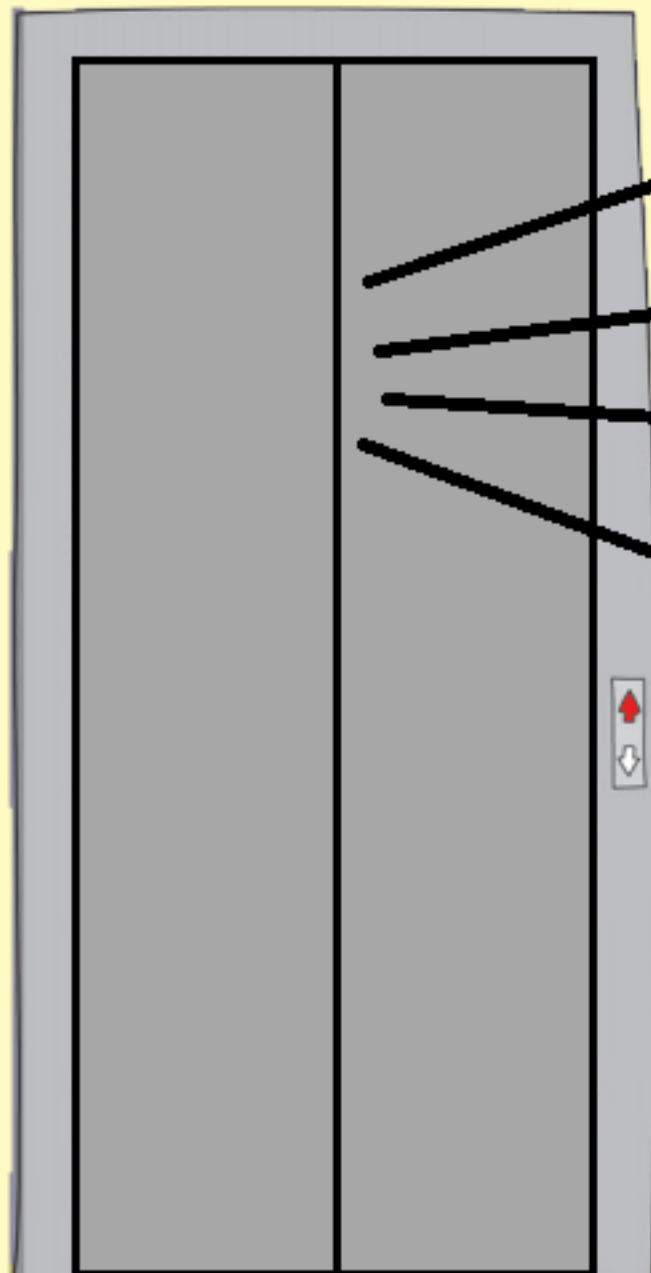

WHEEEE
EEEEEEEE
EEEEEEEE
EEEEEEEE
EEEEEEEE
EEEEEEEE!!!!

How do we
get a full
speed ride
back up?

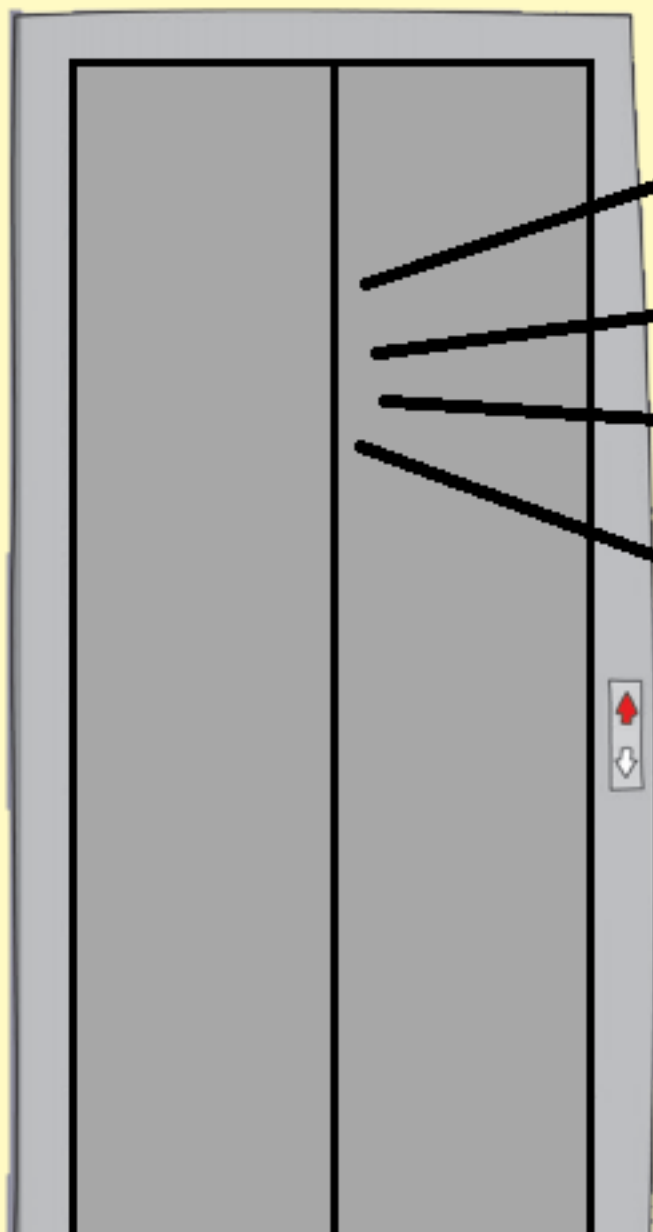

CALL
IT!!!!

**CALL
IT!!!**

**WHAT
THE
FUUCK**

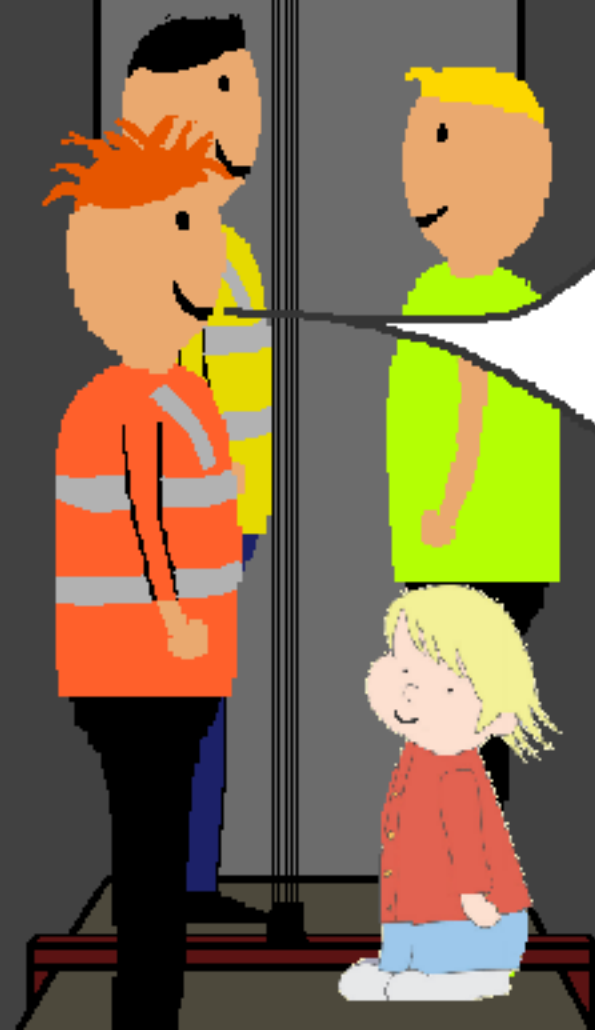

**CALL
IT!!!**

ufff

**CALL
IT!!!!**

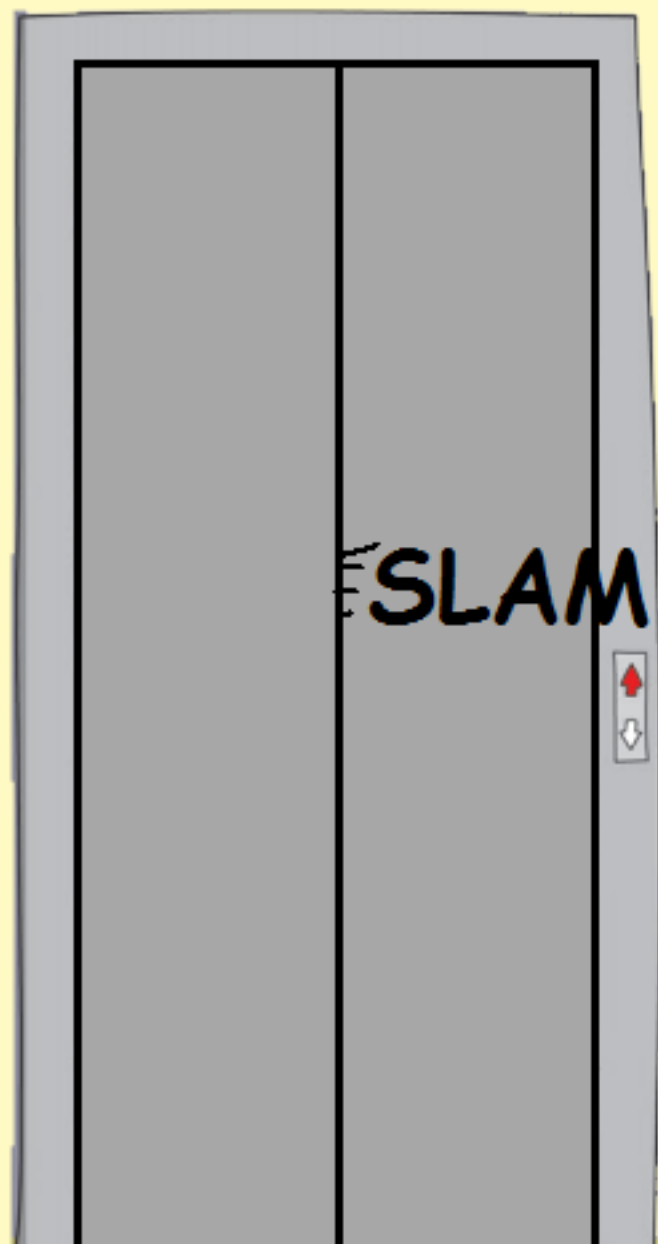

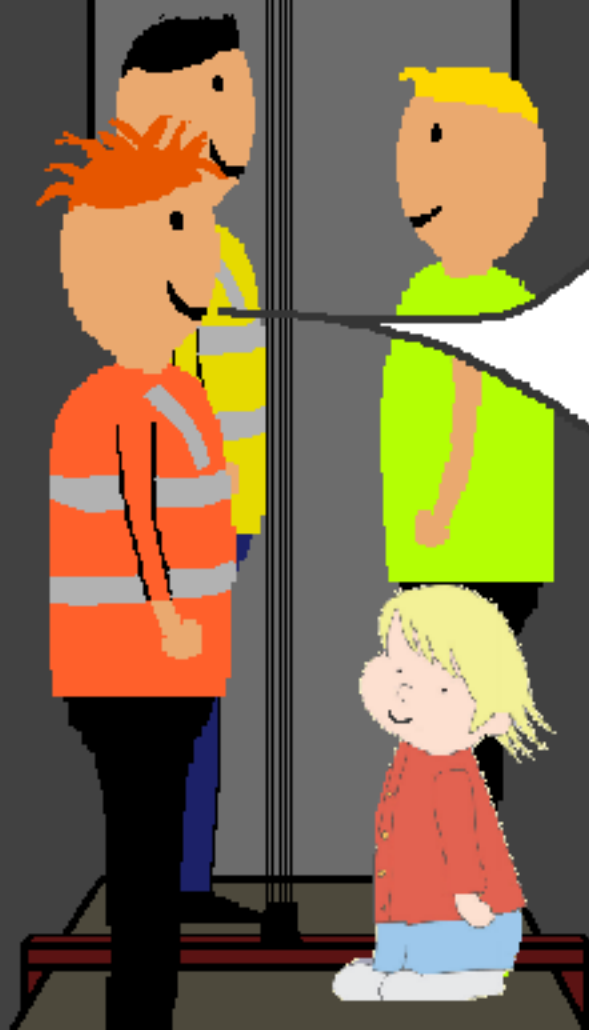

Lets get
off and
go to the
next lift

WHAT THE FUCK
ARE YOU DOING

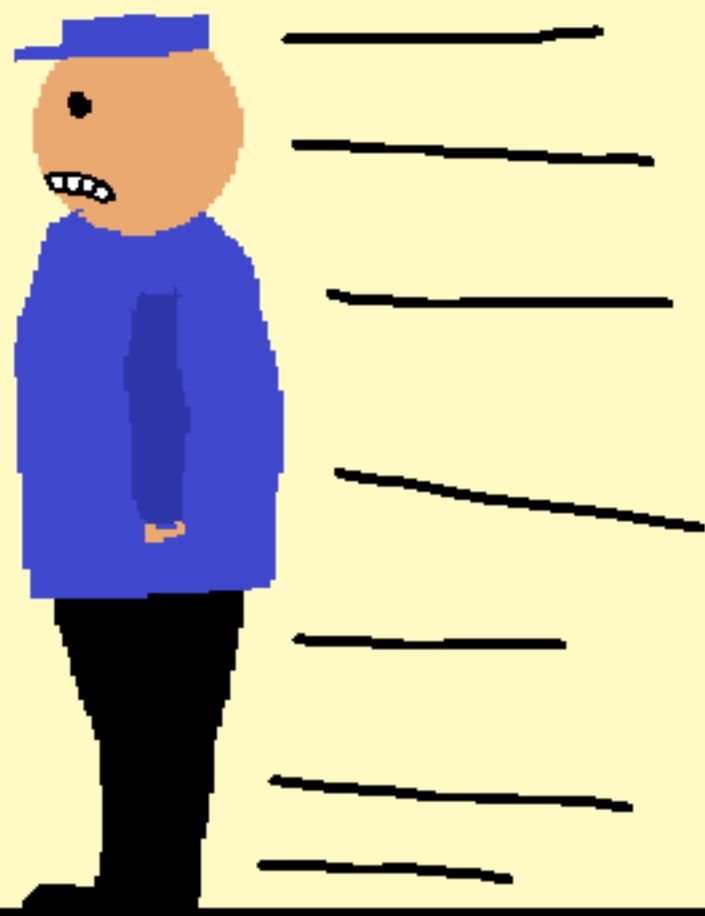

We are just casually
tampering with your
lift and taking this
3 year old on top!

**QUICK!
WE NEED
TO GET
AWAY FROM
SECURITY**

**The security
cunt ran up
and down the
stairs trying
to catch the
lift surfers**

**And he very
stupidly ran
into the lift!**

An illustration of a lift with its doors open. Inside the lift, there are four people: a man in a yellow high-visibility vest, a man in an orange high-visibility vest, a woman in a green high-visibility vest, and a young child in a red shirt and blue pants. The lift has a control panel on the right side with a red up arrow and a white down arrow. The background is a solid light yellow color.

**And he just so
happened to
get accidentally
stuck in the lift**

**GET ME OUT
OF HERE**

**After a good day of lift surfing
everyone went home**

**Liam's mum had not
even noticed that Liam
had been out all day**

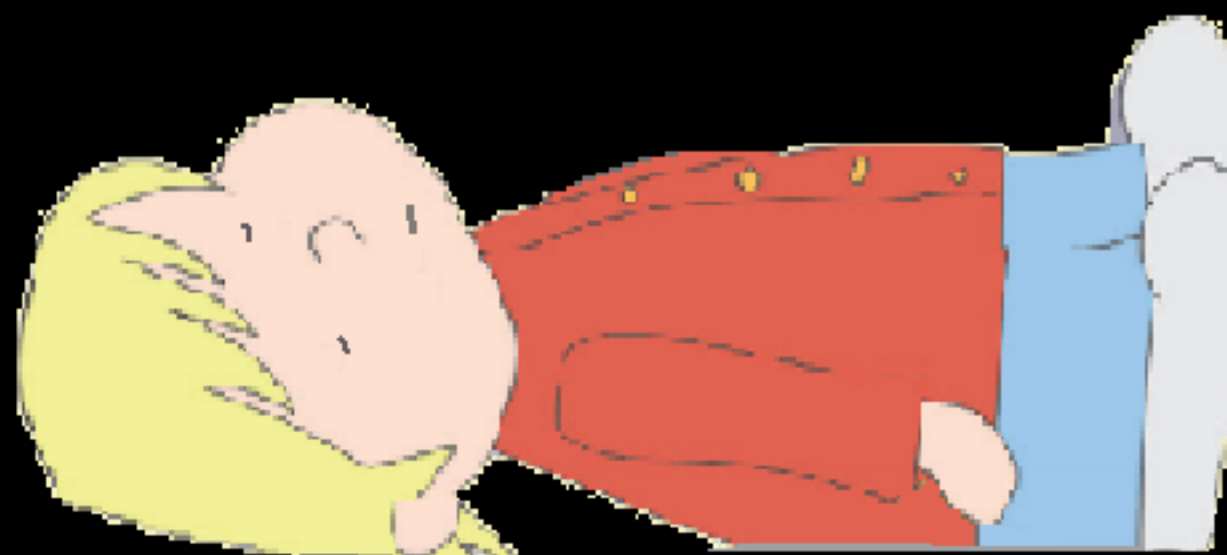

She had been too busy with her clients

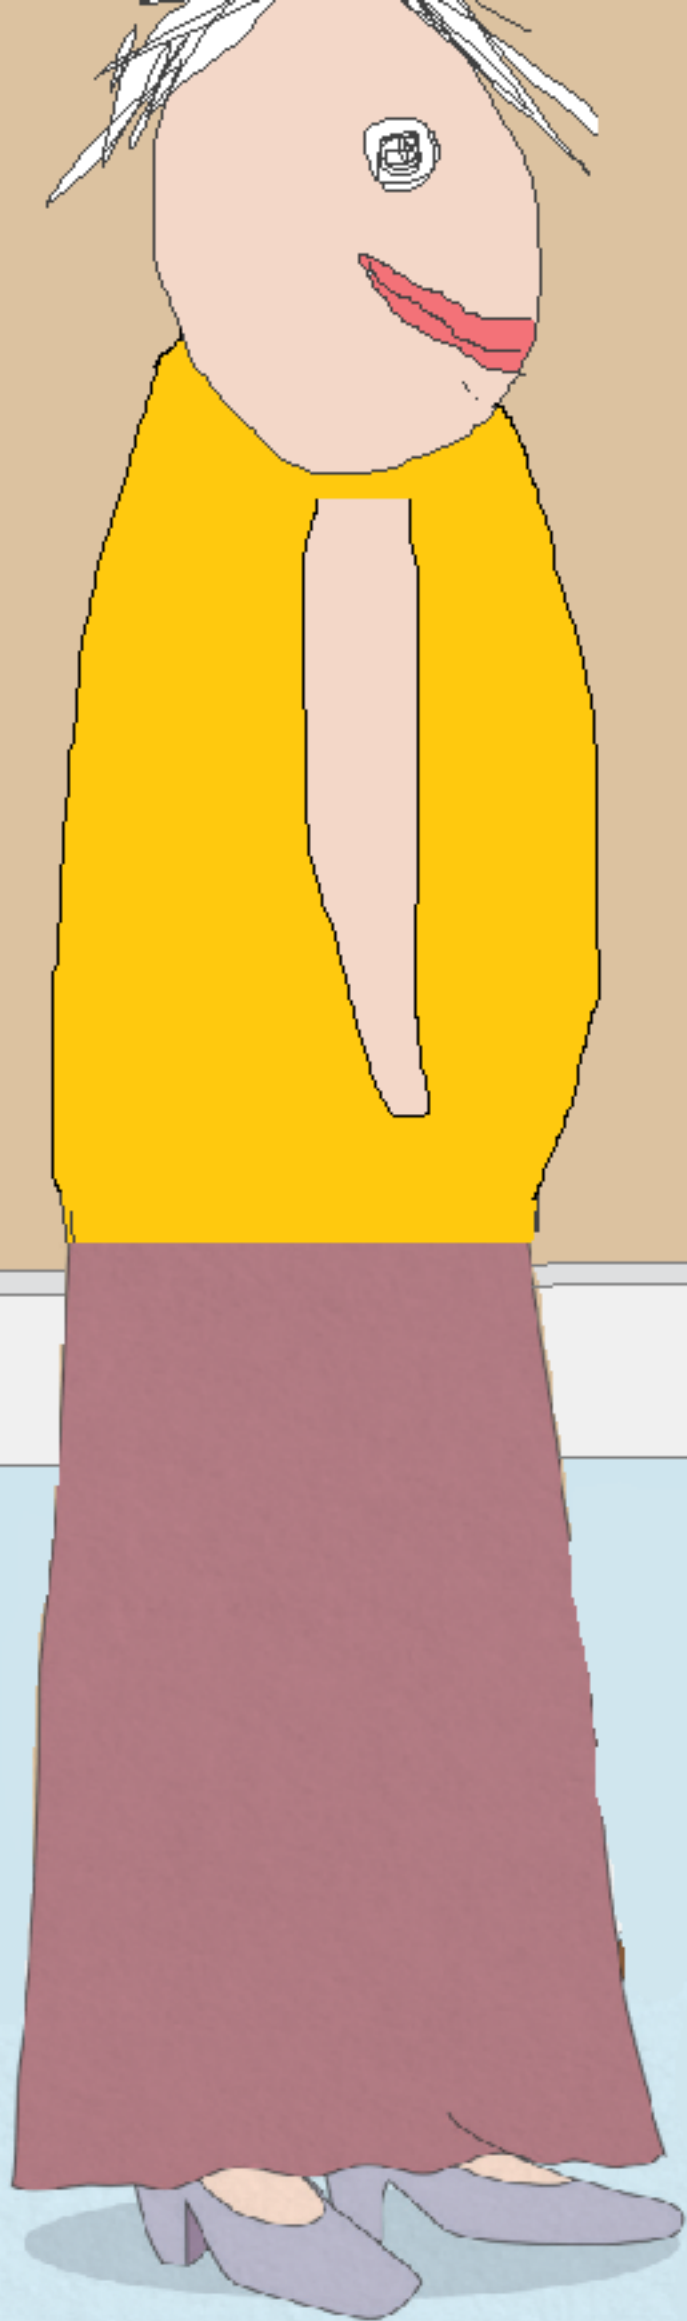

It is Liam's bedtime so his mum gave him some sleeping pills. But this time, to shut him up for a bit longer, she gave him some extra pills.

Due to Liam's overdose of sleeping tablets, he died in the night

**Liam was an
accident, his mum
had wanted rid of
him for ages.**

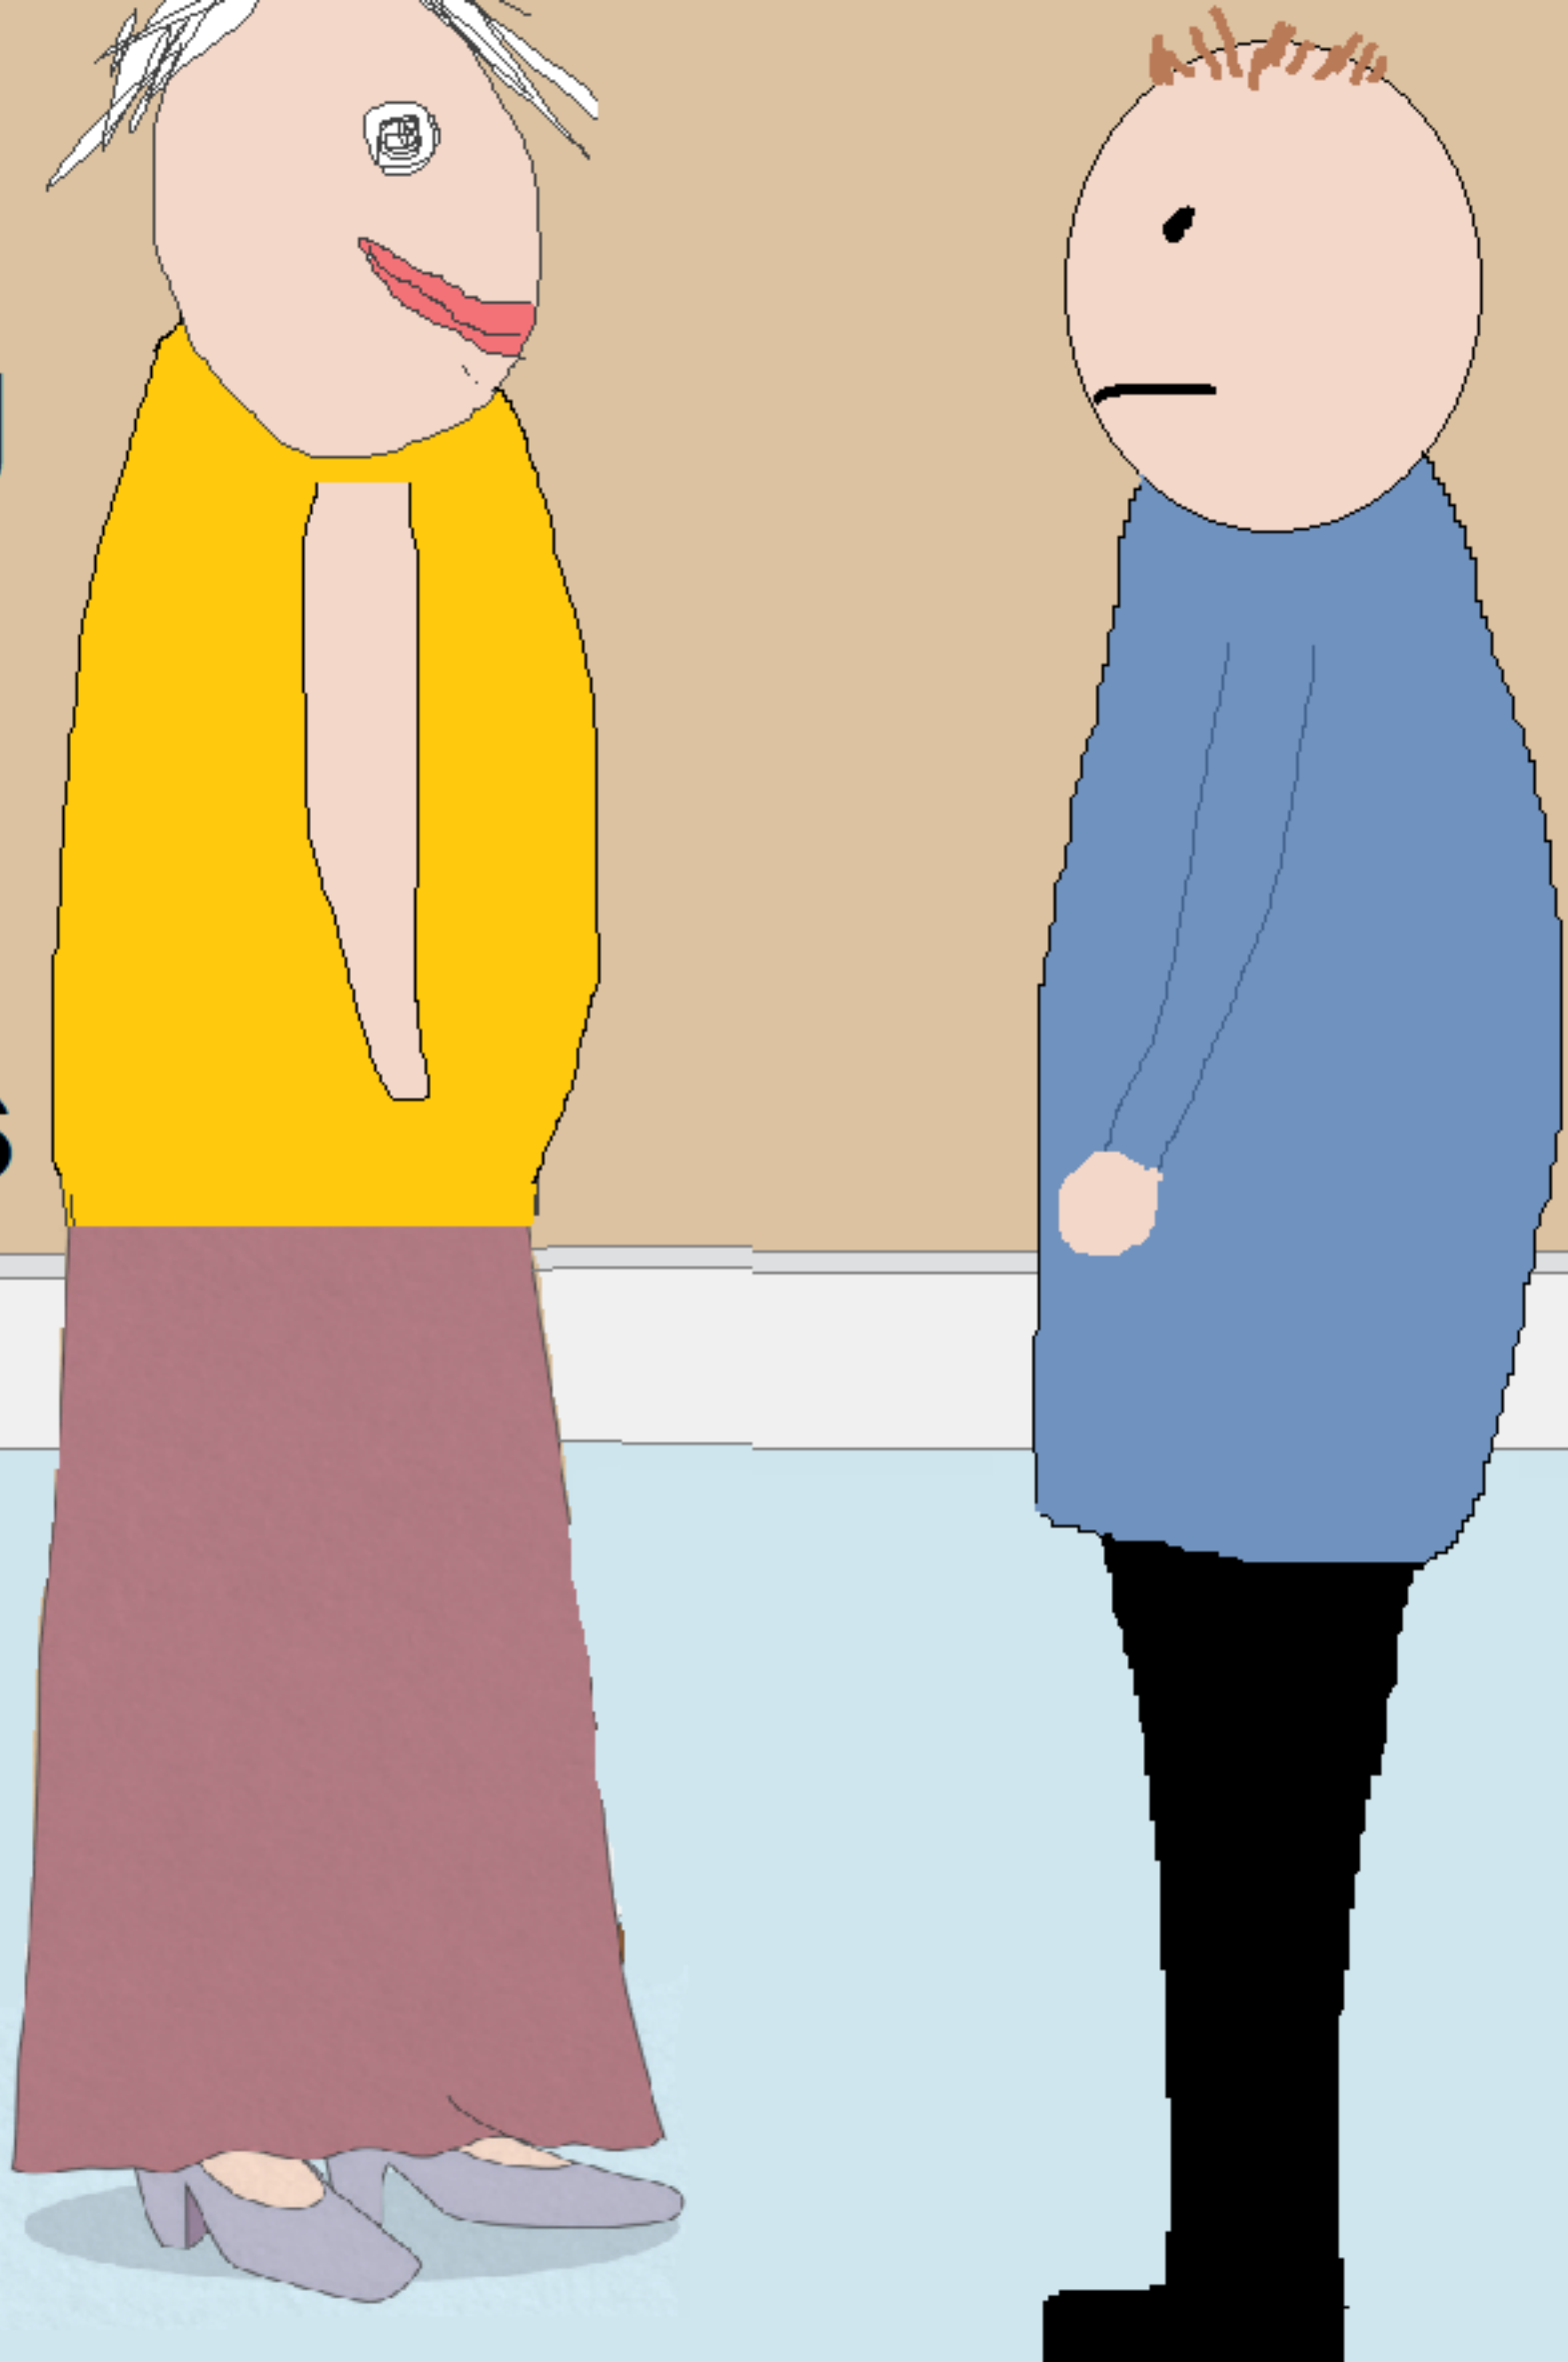

**"Good riddance"
said his mum,
and she through
his body out
with the trash**

**And then she
forgot all about
him**

5 YEARS LATER...

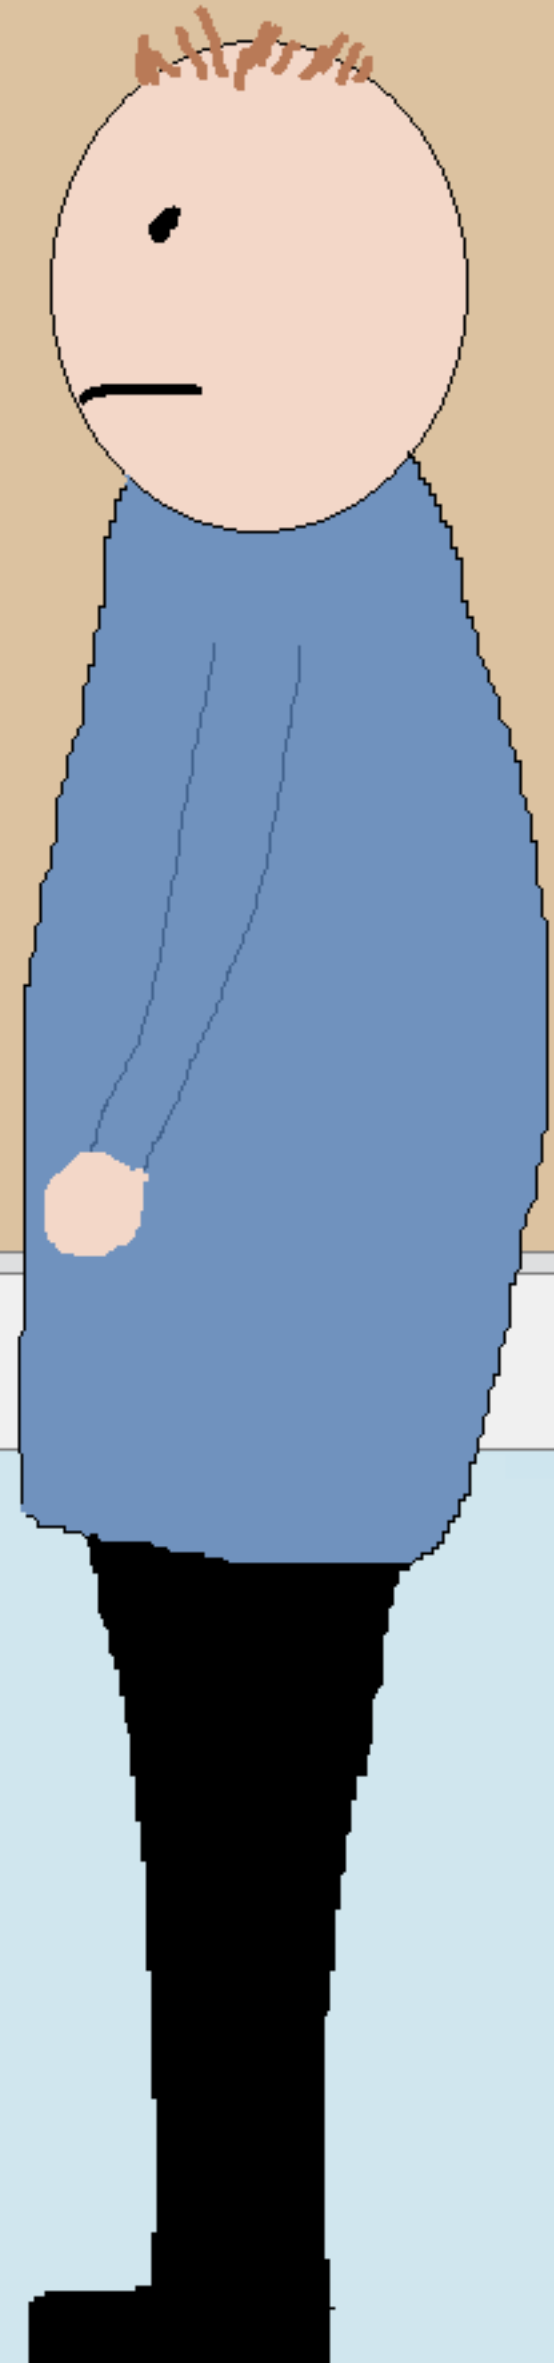

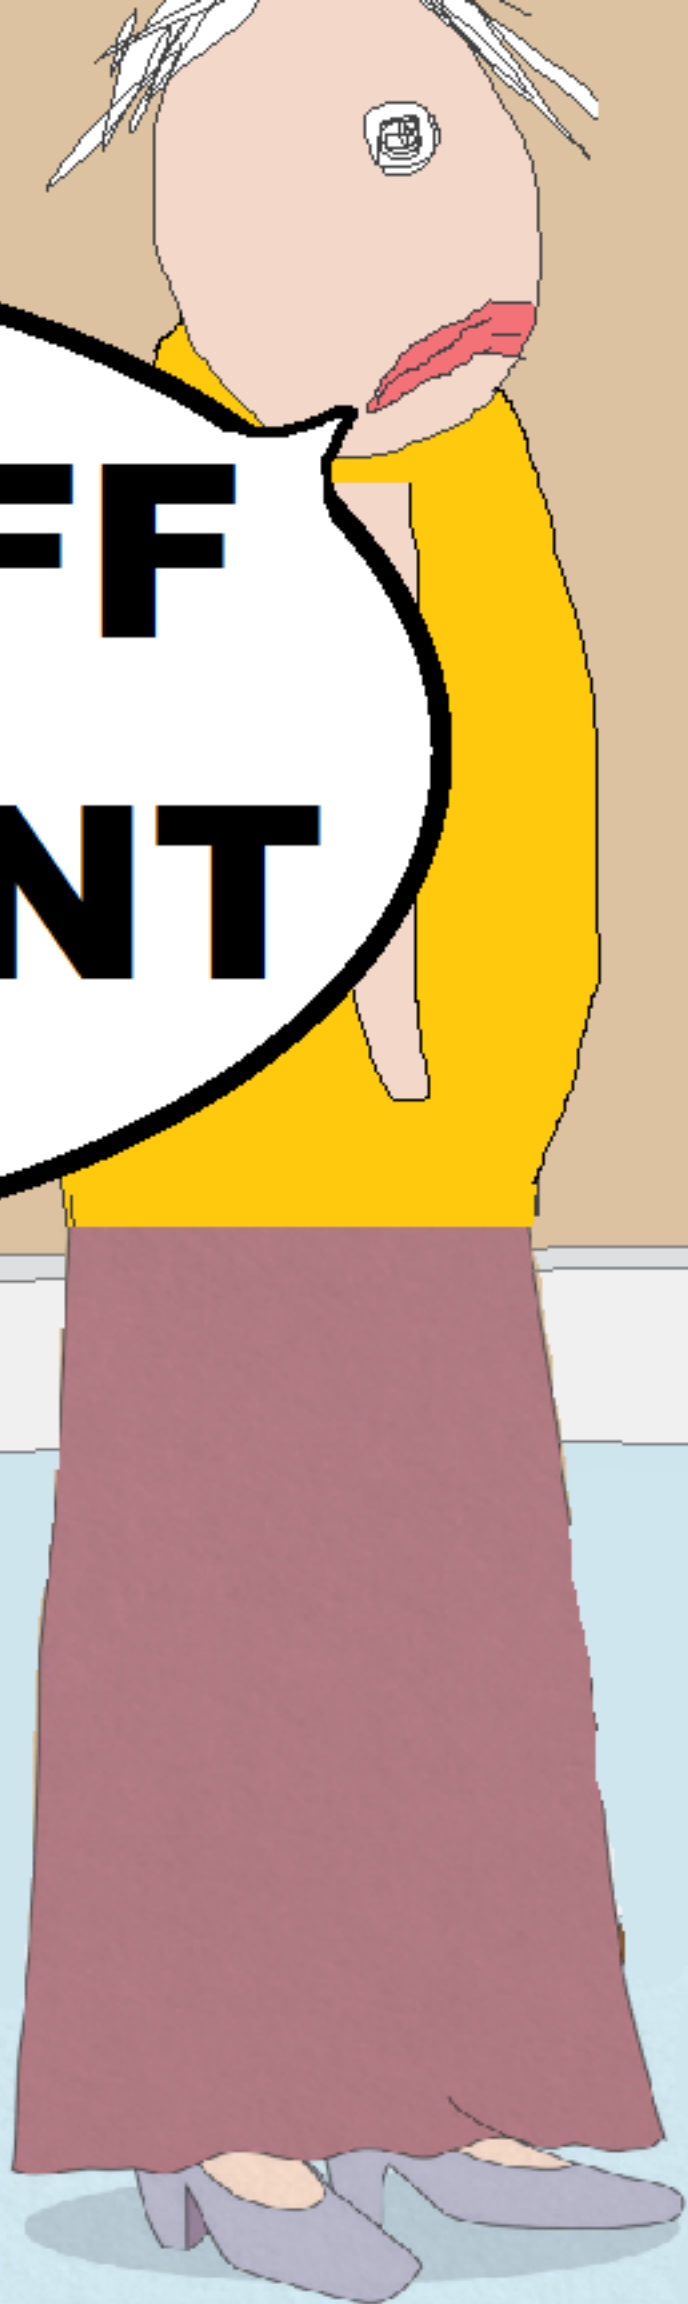

**Liam's mum
is still claiming
child benifit.**

**Social services
came round
asking
about Liam**

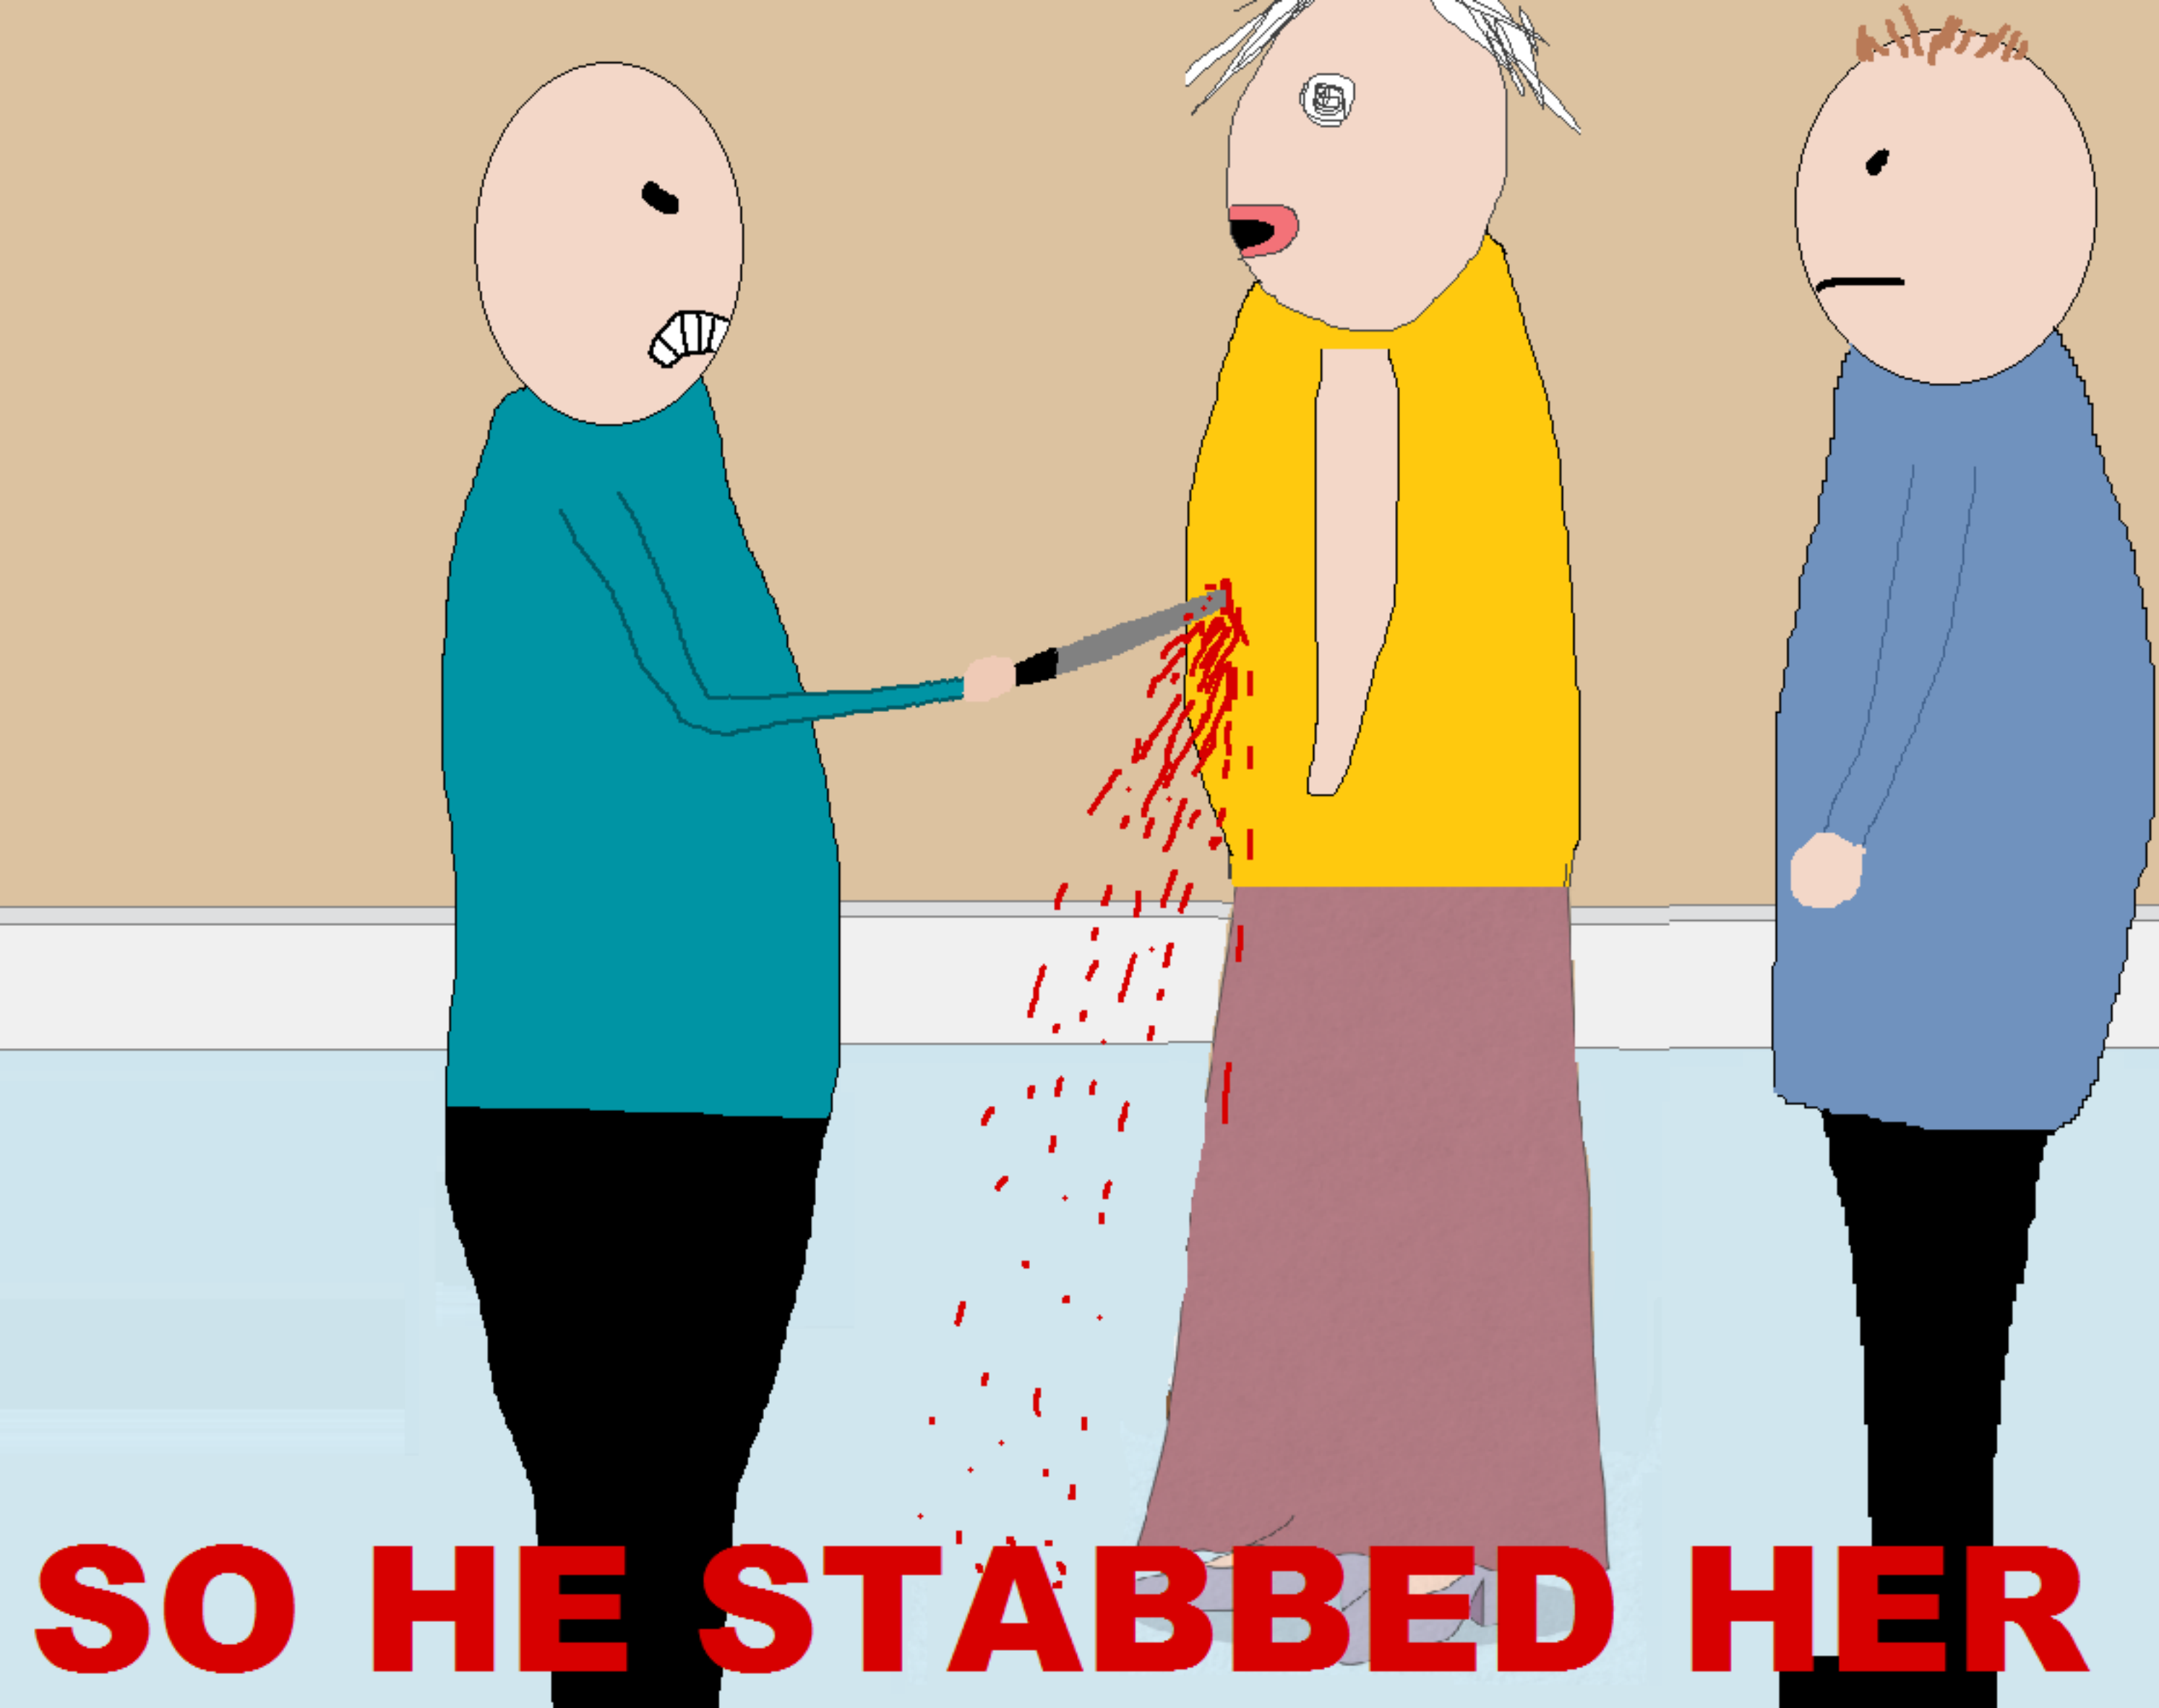

She was not happy

**FUCK OFF
YOU CUNT**

**Meanwhile her next
client had got
fed up of
waiting**

SO HE STABBED HER

THE END
